

## **Holiday Time : A few precautions whilst you are away!**

Please TEST your alarm to ensure that the control room of your service provider is receiving your signal and that it is in good working order. Please check PANIC buttons also.

**UPDATE** your key holder details before you go on holiday with your security provider.

**INFORM** your neighbours that you will be going away or make arrangements for your house to be watched.

**CANCEL** newspaper deliveries or have a neighbour collect daily.

**PACK AWAY** tools, ladders, garden equipment as these will invite suspects to use them to break into your home or rob you.

**INSTALL** and use infra-red motion sensor lights around the premises

**ARRANGE** with your neighbour to collect your post.
